Subject:- Taking you out for a walk.

Dear Tanisha,

I hope you are doing good and I know you are smiling while you are reading this ^{"in"} letter. I believe that every girl is beautiful in some way or other, you must be too. As we talked, I found our conversations to be refreshing. The thoughts in my brain are that you are a short girl, I am a tall guy, the scenario is already perfect. Now, picture this you, me and we are walking on wide roads ~~and~~ having beautiful greenery by sides.

We will enjoy nice sweets (milk cake) which I will bring for you, then we would take a long walk while talking, I don't think ~~it~~ could have better weekend than this.

I think you are cute and deep down, I would like to see you in person, I am a great conversationalist, I know aapko meri baatein hasand aayengi. If romance which happens through eyes is boring for you, Hum DSA bhi padh sakte hai.

Tushar Rawat | You are first and only girl for whom I have written a letter.
